The Honorable Kay Granger

Washington, D.C. 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Chatham Area Transit Savannah Belles Ferry System Hybrid Electric Fleet in fiscal year 2023.

The entity to receive funding for this project is Chatham Area Transit, 900 E. Gwinnett St., Savannah, GA 31401.

The funding would be used to enable their ferry fleet to be fully modernized and enhance their state of good repair, which empowers the oldest vessel to be replaced to hybrid-electric propulsion. The project supports continued critical operations for passenger ferry service on the Savannah River in conjunction to maritime growth with the Georgia Ports Authority.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Earl L. "Buddy" Carter  
Member of Congress
