The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the City of Pooler's Quacco Road Phase II project in Fiscal Year 2026. The entity to receive funding for this project is the City of Pooler, located at 100 US Highway 80 SW, Pooler, GA 31322. The funding would be used for Quacco road improvements. The project is an appropriate use of taxpayer funds because the City of Pooler is dedicated to strengthening its transportation infrastructure to address both current demands and future growth. To date, the city has invested over \$20 million in Phase I of the Quacco road improvements, which are set to begin in FY 2025. Continued progress on this vital corridor is essential, not only for the City of Pooler but for the countywide area. To advance this critical infrastructure work, the city is seeking additional funding support to ensure the successful completion of subsequent phases.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family

Sincerely,

Earl L. "Buddy" Carter
Member of Congress
