The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Chimney Road to Old Augusta Waterline Extension in Fiscal Year 2026. The entity to receive funding for this project is the City of Rincon located at 302 S Columbia Ave, Rincon, Georgia 31326. The project is an appropriate use of taxpayer funds because this project will provide relief from water pressure issues that residents of the city and county have suffered from due to the number of connections to the current undersized line. This doesn't come because of poor planning but rather the increased demand on the system from expanding industries and growth at the Georgia Port in Savannah.

This project has a Federal nexus because the funding requested is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq. [Clean Water Projects] OR Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12. [Drinking Water Projects].

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

Earl L. "Buddy" Carter
Member of Congress
