The Honorable Rosa DeLauro
Ranking Member
House Appropriations Committee

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Tybee Island Fire Station Replacement in Fiscal Year 2026. The entity to receive funding for this project is the City of Tybee Island, located at 512 Jones Avenue, Tybee Island, 31328. The funding would be used for constructing new Fire Station to replace current facility which is at least 50 years old. The project is an appropriate use of taxpayer funds because Tybee's Fire Department is responsible for Fire, EMS, and Marine Rescue. The project has a federal nexus because the funding provided is for purposes authorized under 7 CFR 3570.62(a)(1)(i). I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

Earl L. "Buddy" Carter
Member of Congress
