The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Belfast Keller Road Project in Fiscal Year 2027. The entity to receive funding for this project is the Bryan County Board of Commissioners. The funding will greatly enhance overall connectivity in southern Bryan County by intentionally alleviating already overburdened existing roadway infrastructure/routes and providing an additional route for citizens traveling south/west, access to Fort Stewart (SR 196), and more efficient access to the US 17 and SR 144 Interchanges.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133 (Surface Transportation Block Grant Program)

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Earl L. "Buddy" Carter
Member of Congress
