The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
1036 Longworth House Office Building  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for a Mobile Command Center in Glynn County, Georgia in Fiscal Year 2027. The entity to receive funding for this project is the Glynn County Board of Commissioners. Funding will be used to acquire a fully operational mobile command center would allow Glynn County to provide rapid response to emergencies impacting its residents, visitors, and assets and to the entire coastal Georgia region. The objectives of the project are to procure a mobile command vehicle outfitted with interoperable communications technology within 12 months of award, integrate advanced data, voice, and video connectivity to support real-time decision making, train GCPD personnel and partner agency representatives on equipment use, and deploy the Mobile Command Center for all major incidents, planned large-scale public events, and disasters

The project has a federal nexus because the funding provided is for purposes authorized by section 1701(b)(9) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(9)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Earl L. "Buddy" Carter  
Member of Congress
