The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Liberty County's Regional Communications Tower Project in Fiscal Year 2027. The entity to receive funding for this project is the Liberty County Board of Commissioners. Funding will be used for the construction and deployment of a new regional public safety communications tower and related equipment designed to strengthen coverage and interoperability across the three-county region. This equipment is fully compliant with required FCC regulations and the APCO Project 25, phase II standards for interoperable communications and is spectrum efficient using the TDMA standard.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Earl L. "Buddy" Carter
Member of Congress
