The Honorable Kay Granger
Chairwoman
House Committee on Appropriations
Washington, DC 20515

The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Effingham County Effluent Line Construction project in fiscal year 2024. The entity to receive funding for this project is Effingham County located at 804 South Laurel Street, Springfield, GA 31329.

The funding would be used for Construction of 22,500 feet of 12 to 16-inch sewer force main along Blue Jay Road, from Greystone Drive to SR 17 to accommodate the growing water and sewer demands in the County.

The project is an appropriate use of taxpayer funds because the project will improve water service areas and allow water flow to better maintained, increasing water pressure and quality throughout the County so it can sustain growth caused by significant economic development projects.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Sincerely,

Earl L. "Buddy" Carter
Member of Congress
