The Honorable Kay Granger

Washington, D.C. 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the National Hydrogen Test & Utilization Center in fiscal year 2023.

The entity to receive funding for this project is Georgia Institute of Technology, 635 Strong Street, Atlanta, GA 30318.

The funding would be used to develop the safety, gas handling, and logistics infrastructure for Georgia Tech to build out the hydrogen handling infrastructure that is needed to serve communities and position the state of Georgia as a major enabler of the global hydrogen economy.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Earl L. "Buddy" Carter  
Member of Congress
