College of Veterinary Medicine  
University of Georgia  
501 DW Brooks Drive

Dear Dr. Nolan,

I write to give my strongest recommendation for Ms. Lauren Groover in her pursuit of acceptance to the University of Georgia's College of Veterinary Medicine.

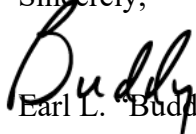

Lauren is an outstanding member of our community who has studied diligently with a single-minded focus on helping animals. While she began her studies at the University of Georgia in the Terry College of Business, watching her family dog suffer cancer changed Lauren's life forever. In the middle of her sophomore year she switched her major and began pursuing a degree in agriculture. This was no easy task and required many late nights of study as well as summer classes but Lauren remained dedicated and has never looked back.

In addition to her studies, Lauren has committed countless hours working for and shadowing several veterinarians in the Savannah area. She worked at Southside Animal Hospital in Savannah where she not only cared for animals in the kennel but observed Dr. Hudspeth perform surgeries. Lauren also spent many breaks shadowing Dr. Christiansen at Cedar Animal Hospital in Richmond Hill.

Most importantly, Lauren is a young woman of great integrity who has committed herself to the care of animals throughout her community. She exhibits great empathy and a keen curiosity in their wellbeing. Whether helping with her families' myriad of pets, breeding their Alpine Dachsbrackes, or dog sitting for her neighbors, Lauren has immersed herself in the welfare of animals.

I hope you will find favorably on Lauren's application. If there is anything I may do to further her candidacy, please contact my Chief of Staff Chris Crawford in my Washington, D.C. Office.

Sincerely,

  
Earl L. "Buddy" Carter
