January 30, 2020

The Honorable Brian P. Kemp
Governor of the State of Georgia
206 Washington Street
111 State Capitol
Atlanta, Georgia 30334

Dear Governor Kemp,

I am writing again to give my highest recommendation for Charles "Chuck" Page in his pursuit of appointment to the Georgia Board of Pharmacy.

Like you, I understand the importance of the Board of Pharmacy's mission to promote and preserve the public health, safety, and welfare of the citizens of Georgia. Appointing someone with Chuck's breadth of experience in the field of pharmacy would go a long way to advancing that mandate.

For nearly thirty years, Chuck has dedicated his career to serving patients. He has practiced in the retail setting and now manages the delivery of quality health care to patients across Georgia. Chuck is an active member of associations committed to improving the practice of our profession at both the state and national levels. In addition, he is deeply involved in his community through his service as a Board Member for the Boys and Girls Club of Cherokee County among others.

While I have no doubt you have a number of qualified candidates, I am confident Chuck's qualifications and experience position him well to contribute to the Georgia Board of Pharmacy's important work for patients across our state. Please let me know if I may provide any additional information to benefit Chuck's candidacy.

Thank you for your consideration and your service to the people of our state.

Sincerely,

Earl L. "Buddy" Carter, RPh
Member of Congress

PROFESSIONAL SUMMARY

Meticulous professional with 33 years of experience in various pharmacy roles with The Kroger Company. Capable and well versed in collaborating with colleagues and healthcare team members to ensure our profession remains a vital part of the healthcare system. Committed to protecting the health and welfare of our pharmacy patients.

As Director of Pharmacy for the Kroger Company, Atlanta Division, my responsibilities include both operations and clinical services initiatives. My primary focus is to coach, teach and train my team of 2,500 associates to elevate their skill set in order to help our patients live healthier lives.

SKILLS

- * Experience managing Health & Wellness initiatives
- * Strong critical thinking skills with a high attention to detail and ability to draw conclusions from data
- * Exceptional leadership and management skills with the ability to motivate, develop and inspire a team
- * Proven ability to facilitate and translate strategic business requirements into strategic solutions
- * Ability to gain alignment across the organization
- * Demonstrated ability to work collaboratively with peer groups
