The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Savannah Convention Center Capital Improvements and Safety Project in Fiscal Year 2027. The entity to receive funding for this project is the Savannah-Georgia Convention Center Authority. Funding will be used to replace the building escalators at the Savannah Convention Center which are still the original from when the facility opened over 25 years ago. This project includes the replacement of all internal components. Replacing the internal parts will add an estimated twenty years of life to these components.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2) Community Development Block Grant (CDBG) Program.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Earl L. "Buddy" Carter
Member of Congress
