The Honorable Kay Granger
Chairwoman
House Committee on Appropriations
Washington, DC 20515

The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the City of Nahunta, Georgia's Sewerage System Improvements project in fiscal year 2024. The entity to receive funding for this project is the City of Nahunta located at 9911 Main Street North, Nahunta, GA 31553.

The funding would be used for construction of a new MPDES wastewater plant needed to replace the old LES system designed to only be in operation until the year 2000.

The project is an appropriate use of taxpayer funds because the project will improve the water system of the rural city that is in need of upgrades and improvements but with limited funds or ability to do so.

This project has a Federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.
Sincerely,

Sincerely,

Earl L. "Buddy" Carter
Member of Congress
